Greetings!

**Promote your company and lend your support to a wonderful and unique school making a difference in your community!** On April 18th the Waldorf School of DuPage (WSD) will host its annual "Crystal Ball" benefit auction.

Proceeds from this auction will directly benefit our students by providing the necessary funds to expand and support our outstanding curriculum, keep tuition affordable to a wide range of incomes and provide a welcomed educational alternative to families in your community.

Located in Warrenville, IL, WSD is an independent, nonsectarian school centered around the Waldorf educational model. Our students come from communities stretching from Naperville to Elgin, Berwyn to Sycamore and the Fox River Valley (Aurora, Batavia, Geneva and St. Charles).

Enclosed is information regarding the various sponsorship opportunities. Our deadline for submissions of support is March 27nd.

Thank you for helping support an education that fosters creativity and a life-long love of learning!

In Gratitude,

Terri Dunmore & Jessica Goc
